

[Skype pentru Windows Mobile](#)

Category : [Aplica ii Noi](#)

Publicat de admin in 25-Feb-2010

Dac  c uta i pe site-ul Skype versiunea pentru Windows Mobile s   ti i c  nu o s-o g si i.

Cei de la Skype au scos link-urile ce ducea la pagina de download pentru Windows Mobile dar ea  nc  se g se te pe site-ul lor  i o pute i descarc  de aici - download [Skype for Windows Mobile](#)

Skype func ioneaz  foarte bine pe dispozitivele Windows Phone cu WiFi sau 3G.

Skype 3.0 for Windows® Phones
Call, instant message and more with Skype on your device

Download now to your PC
or [download it directly on your device.](#)

The advertisement features a blue background with a white city skyline and a rainbow. In the foreground, two smartphones are shown: an HP iPAQ on the left displaying the Skype logo, and an HTC phone on the right displaying the 'Send file' interface with a photo of a woman and a child. The text 'SoftMobil.ro' is visible in the bottom left corner.

Daca aveti alte platforme puteti gasi mai jos link-urile de download:
